

**The Corporation of the Township of Laird
Class Environmental Assessment
Lapish Bridge Project
Public Comment Invited**

The Township of the Laird proposes replacement or rehabilitation of Lapish Bridge on Lapish Road in Bar River, ON. The project is currently being planned under **Schedule B** of the **Municipal Class Environmental Assessment**.

Project documentation for the Lapish Bridge project including the alternatives under consideration, the Municipal Structure Inspection Report, the Cultural Heritage Evaluation Report and the Existing Conditions and Environmental Impact Assessment are available for review at the following locations:

The Township of Laird

3 Pumpkin Point Road
Echo Bay, ON; P0S 1C0
Phone: 705-248-2395
Mon-Fri: 9:00 am - 5:00pm

Echo Bay Lending Library

4 Lake Street North
Echo Bay, ON; P0S 1C0
Mon. - Thur.: 11:30 am - 12:30 pm
Mon.: 2 - 4 pm, Fri.: 9:30 am - 12 pm

Tulloch Engineering Inc.

200 Main Street
Thessalon, ON; P0R 1L0
Phone 705-842-3372
Mon. – Fri.: 8:00 am - 4:30pm

The preliminary preferred alternative is the replacement of the existing bridge with a new concrete structure with similar features to the existing bridge. For further information on this project or to provide comment please contact Marshall Thompson, P. Eng. – Phone: 705-842-3372; Email: marshall.thompson@tulloch.ca; Mail: Tulloch Engineering, P.O. Box 579, Thessalon, ON; P0R 1L0.

Public input and comments are invited for incorporation into the planning and design of this project and will be received until December 1, 2017. Subject to comments received and the receipt of necessary approvals, the Municipality intends to proceed with the planning, design and construction of this project to be completed in 2018.

This Notice issued November 1st, 2017.

Phyllis MacKay, Clerk Administrator; Township of Laird
