

TO ALL LAIRD RESIDENTS

The Township would like to keep everyone up to date on municipal activities, services and the current COVID-19 pandemic.

The road department continues on with daily activities to ensure safe travel over municipal roads. Should you have information you feel would be beneficial to the road department staff, please leave a message on the garage answering machine, if no one is there to answer the phone. The road department number is 705-248-1141.

The municipal administrative office is closed to the public but those persons who need to come in, just ring the door bell and staff will admit, one person at a time (masks required). However, someone will be in office to take your calls and attempt to answer any questions you may have. The number for the office is 705-248-2395.

Fire permits are required from April 1st to October 31st each year. As a signature is required, and the office is closed to the public, it would be most helpful if anyone wanting a permit could hold off burning for a couple of weeks.

Pumpkin Point Park is closed to the public. It is understood that playground equipment is a transmitter of COVID-19. To ensure the safety of family and friends, please do not enter the park except to pass through to access personal property.

Algoma Public Health is available to answer questions on the local COVID-19 pandemic. Its website is algomapublichealth.com/covid-19. It is worth repeating the advice of medical experts: cough into your arm; wash your hands; don't touch your face; abide by social distancing (6 feet); and stay in, if at all possible.
